Chapter 32

Hello! This is Takao Shigeno. We're finally at the last volume and it feels like this series has been going on for such a long time. It's taken three and a half years, that just seems like such a short amount of time. I'm surprised. Although half a year after I started I had to take a break... but, well, that's how it goes. A month after I restarted the series it became a bi-monthly serial. This really surprised and annoyed me to no end. It became a horrible mess, but to my assistant, manager and above all, my readers, I thank you for all your support. I was able to make it through all this thanks to you all. I'm grateful to you all from the bottom of my heart!

I can't rest until I thank everyone. I'll keep working hard!

I PROPERLY
COMMU-
NICATED MY
FEELINGS TO
HER.

HE JUST THREW
HIS FEELINGS

IN MY
FACE.

IS HE

LOOKING TO
REVENGE?

YEP.

THAT'S IT.

HE'S SO
HAPPY...

EVEN
BUSINESS
TIES?

I CAN'T STOP
THE "DELIVERY"
TODAY OR TO-
MORROW.

I HAVE
FAITH THAT
THE FUND'S
WILL KEEP
COMING..

I'M STILL
GETTING
MONEY...

KONA-
ICE

I HAVE

FAITH IN
YOU TOO.

IF NOT
TOMORROW,
THEN THE DAY
AFTER.

IF
TODAY
IS NO GOOD
THEN
TOMOR-

I EXPECT IT

...TO BE
THE CON-
CLUSION

FOR ME.

AM THE
ONLY MAN

FOR HER.

Chapter 33

Many greetings and thanks to everyone.
 I'm sorry I'm so late in showing my gratitude.
 As for the animal material, I just gathered and put it all in before the last chapter of this series. I even made my toner chef, my friends go pick up my dog while she was out for a walk. I keep my Shiba dog outside. People assume I'm a nice person, but sometimes I really just want to play my dog. For the first time in many years she tried to be let in. It's been three months now and while I sometimes think it's simply her nature, her cuteness makes living with her bearable. Should I do a manga about a cat relief? We'll see.

I figured out
today that I
have no cat
story-writing
talent. Send

Thank you all

next project.
